Terms & Conditions

お取引について

Minimum order	Varies by brand. Curry pastes and dried fruit from one case; for other lines, around ten mixed cases is a guide. Please ask.
Prices	All prices in this catalog are indicative retail prices in Japan (JPY, excluding consumption tax). Wholesale prices are quoted individually according to trading terms.
Delivery	Shipped from our warehouse in Saitama, Japan, with Japanese-language labels compliant with the Food Labeling Act already applied. Domestic delivery within Japan.
Documents	Ingredient lists, process flow charts, certificates of analysis (COA), certification documents and Japanese label samples are available.
Samples	Samples can be sent ahead of a meeting. Please get in touch.
Import set-up	We deal directly with overseas manufacturers and handle import notification, customs clearance and labelling ourselves, so questions on lots, specifications and line changes are answered from first-hand information.
Certifications	What each certification guarantees is explained at recelljapan.co.jp/en/certifications/
